A couple of losers	Let's face the music
A fine romance	Let's fall in love
Ain't no sunshine	Luck be a lady
Ain't misbehavin	Lullaby of birdland
Ain't that a kick in the head	Mack the knife
All in love is fair	Making whoopee
All of me	Memories are made of this
All the things you are	Misty
All the way	Mona Lisa
Alright OK you win	Moondance
Almost like being in love	Moonriver
A nightingale sang in Berkeley Square	More
As time goes by	Mr Bojangles
At last	My baby just cares for me
Autumn leaves	My foolish heart
Bad bad Leroy Brown	My favourite things
Besame mucho	My funny valentine
Bewitched	My kinda town
Beyond the sea	My way
Blue moon	Nature Boy
Body & Soul	Need your love so bad
Both sides now	New York New York
But not for me	Night & day
Bye bye love	Old devil moon
Bye bye blackbird	One for my baby
Change partners	On the street where you live
Cheek to cheek	Orange coloured sky
Close to you	On the sunny side of the street
Come fly with me	One day I'll fly away
Corcovado	Our love is here to stay
Cry me a river	One note samba
Dindi	Paper moon
Do nothing till you hear from me	Power of love
Don't get around much anymore	Pure imagination
Don't know why	Quiet nights
Don't rain on my parade	Rock with you
Dream a little dream	Route 66
Easy to love	S'wonderful

Embraceable you
Feeling good
Fever
First time ever I saw your face
Fly me to the moon
Foggy day
For once in my life
Forever autumn
Georgia on my mind
Get happy
Girl from Ipanema
Hallelujah I just love her so
Have you met Miss Jones
Hit the road Jack
I could have danced all night
I get a kick out of you
I left my heart in San Francisco
I'll be seeing you
I remember you
I wanna be like you
I'm gonna sit right down
I've got a crush on you
I wish I knew
I won't dance
I'll be seeing you
I'll never smile again
If you never come to me
Is you is
It had to be you
It was a very good year
I've got the world on a string
Just you just me
Killing Me Softly
L.O.V.E
Lady is a tramp
Let there be love
Let's do it, let's fall in love

Saturday night is the loneliest night
Secret love
Send in the clowns
Singin' in the rain
Smile
Smoke gets in your eyes
Something stupid
Stand by me
Stormy weather
Somewhere over the rainbow
Stepping out with my baby
Strangers in the night
Summertime
Sunny
Sway
That old devil called love again
That's life
The best is yet to come
There will never be another you
The summer wind
The way you look tonight
These are the days
They all laughed
They can't take that away from me
Time after time (Sinatra)
Too close for comfort
Triste
Under my skin
Unforgettable
We have all the time in the world
What a wonderful world
What a difference a day makes
Young at heart
When I fall in love
Witchcraft
You are the sunshine of my life
You make me feel so young
